Personal property may be distrained to effect payment. At any time before the distraint of personal property, payment of the tax with surcharges, interests and penalties may be made, and unless that tax, surcharges and penalties are paid before the expiration of the year for which the tax is due, the delinquent real property will be sold at public auction, and the title to the property will be vested in the purchaser, subject however, to the right of the delinquent owner of the property or any person having legal interest therein to redeem the property within one (1) year from the date of sale. In case payment has been made, please furnish us with the number of the official receipt and the date of payment or a photocopy of your payment.
